LIBRARIAN'S REPORT

It was another good year at the Olivia Rodham Memorial Library.

The Librarian served on the Planning Board and Qualifications Committee for the District Advisory Council and attended meetings in Concord, Claremont, Newport and Walpole. She also attended Service Center meetings held in Marlborough and Dublin, a book meeting at the Keene District Office, and three Trustee meetings.

The Librarian showed a slide program which she wrote entitled, "The Little Dog Who Collected Sticks," at preschool story hours at the Jaffrey, Troy and Harrisville Libraries.

Last winter the Librarian taught seven sixth graders a nine-week library course which ended with a trip to the Keene Junior High School Library.

Once again, our Library received a Certificate of Merit for meeting state requirements in 1977.

Seventeen young people took part in the Summer Reading Program. The 100 Mile Trail Ride was repeated and ice cream was served to all at the end of the summer.

The Bookmobile made three visits, and left 1,733 books. Thanks to all who helped pick out the books and stayed to shelve them after.

A Preschool Story Time was started in October, and an average of eight youngsters are attending every other Monday at 3:00 P.M. for stories, films and refreshments.

Books were taken every two weeks to the Munsonville School and Preschool during the school year. My thanks to Joan Warner, Dorothy French, Vivian Crowley, and Marion Tucker for their help in carrying the books to the young people.

Fifty-seven books were obtained on Interlibrary Loan.

Three hundred thirty-seven books were catalogued during the year.

Number of volumes, December 31, 1977	3860
Purchases	35
Gifts	302
Total books in circulation December 31,1978	4197

Many thanks to those people who have given both books and money for books to the Library and to those who are giving current issues of some excellent periodicals.

Circulation from the Library:

Adult non-fiction	307
Adult fiction	774
Juvenile (including books taken to schools	2503
Periodicals	157
Total Circulation	3741

This is an increase in circulation of 228 over 1977.

An extra hour has been added. increasing the hours open from eight to nine hours weekly. Our hours are as follows:

Monday, 12:30 - 4:00 p.m.
Wednesday, 6:30 - 9:00 p.m.
Saturday, 9:00 - 12:00 noon.

My sincere thanks to Vera Balch and Barbara Bennett for their help in the Library, and to my Trustees and the Friends of the Library, who have made 1978 an enjoyable year.

Respectfully submitted,

Patricia Packard

REPORT ON THE BRICK SCHOOLHOUSE

We started the project of restoration from the bottom, and now we've gotten to the top. The roof and the cupola have been repaired. And this has used up the last of our funds. Now it turns out that the chimney should be done over from the second story up. Some patching was done but to make it safe to use the old stoves the major part should be replaced. We have put an article into the warrant to see if the town wants to have this done.

Restoration Committee

REPORT OF THE CEMETERY BOARD

1978

The only income received by the Board this year was the amount received from Cemetery Trust Funds in interest received, amounting to $532.32.

As usual the greatest amount of labor and expense was involved in mowing, cutting brush and removing the fallen leaves. The hemlock hedge along the north border of the new Fuller section of the cemetery is doing well and we expect to keep it trimmed to a level of six feet.

One tree had to be cut and removed. Also a plaque had become loosened and fallen out of a marker stone and required secure setting.

The Cemetery Board recommends that the Town appropriate $1,500.00 for maintenance of the Nelson Cemetery for 1979.

Respectfully submitted,

HELEN TOWNE

Note: The three Trustees of Trust Funds, as such, also become members of the Cemetery Board.

REPORT OF THE POLICE DEPARTMENT

Much has been done this year to attempt to improve police coverage but much more work is needed both by the police, town officials and the local citizenry.

We have experienced excellent cooperation this year from the State Police, who have been readily available to help and assist with investigations and apprehensions as needed. The Harrisville Police Department has also been quite helpful when called upon and in covering parts of our town in their normal patrolling.

Special attention has been given to winter patrols around summer camps and homes and more remote parts of town as this is a time when evidence of unusual activity is more visible, and specific requests for attention have been responded to. In the interest of more comprehensive coverage Claude Hutchins, our road agent, has been duly appointed as police officer. Claude's activities, as well as my own, keep us out and about town a lot, which we feel will give us a good degree of coverage and high availability to all persons and parts of our town. Also Claude now has the town's portable transceiver to help keep us in more constant communication with Mutual Aid and police activities in surrounding areas.

We have had some communications problems this year and are working to improve this situation. The radios have helped a lot and you or Mutual Aid can often locate us by phone when we have to be away from our radios.

As usual, thanks are due the local citizens who aid our work by reporting unusual or suspicious events. Keep up the good work....we need your help.

Respectfully submitted,

FRANK E. UPTON, Jr.
Constable

REPORT OF THE NELSON FIRE DEPARTMENT

A total of twenty-five calls were responded to by your Fire Department in the year 1978.

These calls consisted of twelve Rescue calls, two gasoline washdowns, four Mutual Aid, one brush, one house, one smoke investigation, one chimney fire, one faulty alarm system and two electrical fires.

Many man hours were spent this last year in cleaning chimneys. Our special thanks to Phil Chase and Bob Lenox for the many hours spent on these chimneys. Because of the concern and response of the townspeople, we only had to respond to one chimney fire. We also wish to thank those who had their chimneys cleaned for their donations to the Fire Department. These monies were used to purchase much needed equipment. The purchase of this equipment with this money again saved the town additional expense.

The new or reconditioned Alerting Alarm or Siren is in good working order and installed atop the fire house. This siren replacement was originally quoted at a cost of over three thousand dollars. This was requested in last year's Warrant. This request was reduced to five hundred dollars when, after much search, we located a retired CD siren. This siren had to be rebuilt and adapted to our electrical system. Thanks to Dean Huber who volunteered his time and knowledge, we were able to purchase a new motor and complete the job. This was all done at a cost of two hundred twenty-five dollars, a saving from the five hundred dollars appropriated - another saving of the town's money.

All three trucks are now in working order. However, our first-line piece of equipment is now eleven years old. This gives us just nine years to prepare and save for its replacement. Because of insurance underwriters a first-line piece of equipment cannot be over twenty years of age. This affects every property owner in town because the loss of a first-line piece of equipment means an increase in fire insurance rates. Current prices of first-line piece of equipment is around forty-five thousand dollars. In nine years this same price will be around sixty thousand dollars. Therefore, I again ask that the town set up a reserve fund of five thousand dollars a year so we will have the replacement money available when the deadline arrives.

Our portable two-way fire radio has now outlived its

expected life. It is obsolete and practically useless. This will have to be replaced as soon as possible. Therefore we request the warrant contain an appropriation for replacement, the cost of which is between twelve and fifteen hundred dollars.

Myself, your Fire Department and Rescue Squad wish to thank all the townspeople for their cooperation and support and we are sure we can count on same in the future.

I, as Chief, have decided to step aside and have a younger person take over. The Fire Department, as a body, recommends Robert West as your next Chief. We who know Bob and have worked with him know our choice is a good one and hope you will back us up and elect Bob in March.

Respectfully submitted,

JAMES M. BELL,
Chief

1978 REPORT

THE NELSON FIRE DEPARTMENT RESCUE SQUAD

Calls responded to:	
Fires and Misc.	13
Car Accidents	4
House Calls	8
Total	25

Each year the number of house calls that the Rescue Squad is called to seems to increase. This does not mean that more people in Nelson are getting sick; what it does mean is that more of you are using the Service as it was intended to be used - and that's good!

Our purpose is to provide emergency medical care whether it be at a fire, at the scene of a car accident or in your own home. Our members have all been trained in providing the best in emergency medical care that can be had outside the hospital emergency room or the doctor's office. Our training is on-going. Each year we must recertify in C. P. R. techniques, and every two years we must receive refresher training in other E. M. T. or Advanced First Aid skills. In between times, the members, through their employment, volunteer service, seminars, training sessions, and drills, attempt to keep as up to date as possible in the ever-changing field of emergency medicine.

We used the $100.00 appropriation to purchase a tone-alert monitor, a much needed and very appreciated piece of equipment.

Many thanks to all of you who have given us donations during the year. Because of your generosity, we have been able to replenish or add to our equipment and supplies. Special thanks to Jeanne Bini Wilber, my predecessor, who has given so much of her time and energy toward making the Rescue Squad what it is... Thanks, Jeanne.

Sincerely,

MARYLU MURPHY, Captain
Nelson Rescue Squad

NELSON CONSERVATION COMMISSION
1978 - 1979 REVIEW

In sum, our commission has found this past year to be frustrating. Everything looked so promising at the start. We simply identified our duties and goals:

1. Under Water Conservation a) Review local "Dredge and Fill" projects, and set protocol to carry out the intentions of RSA 483 A.
 b) Keep citizens informed about Wetlands protection and legislation at the State level, and introduce the possibility of local ordinances.

2. Under Land Conservation Proffer good advice and assistance for landowners interested in the conservation and tax advantages of Protecting Open Spaces, Land Use Taxation, Land Trust Agreements, Conservation Agreements, etc.

3. Under Energy Conservation Promote understanding of N.H. Solar Legislation and the importance of developing and using renewable energy sources.

4. Under Conservation Education Make sure it happens. Both in school and beyond.

5. Under Cooperation Act with Selectmen and Planning Board Procure and/or prepare Nelson Natural Resource Maps and inventories for use in planning process.

6. Under NCC Promotion Elevate our image, both in the Grapevine and through sponsorship of exciting and informative public events.

..... and then we set about doing what we thought we should do.

We responded to Nelson's "Dredge and Fill" proposals, although they did not come to us as a crow flies. Had we had complaints, there would have been no chance for meeting intervention deadlines. It didn't matter. They all won our approval.

We awarded a scholarship to a deserving Nelson youth to attend Interlocken, an SPNHF Youth Conservation Camp. We have not yet capitalized on his new skills, but perhaps he may help with the spring field trip/workshops.

Lisa Farina was to have planned a public information program on Solar Systems, but to our sorrow she

moved in November to D.C.

After we had arranged for Cathy Williams, an able Antioch MST student, to produce a Nelson Wetlands Map, we discovered that one had already been started by the SWNHRPC. But a very wonderful thing has happened. Cathy Williams is now on our Commission, filling Lisa Farina's unexpired term. We are overjoyed.

We offered our services to landowners. No one pursued them.

Last year's Warrant awarded NCC $50.00 for its legitimate expenses. Actually these amounted to $89.88 this year, of which $73.75 has been raised from Commissioner donations.

We met a total of eight times for regular meetings, and met a Grapevine deadline in October/November as well.

We planned and carried out a total of four events, starting with the Annual Nelson Spring Road Clean-up, which everyone always agrees is a splendid job. The attendance this year was down, despite Jack Shangraw's excellent organization.

The other three events included on Aug. 6 Nelson Greenway Exploration and Slide Presentation by an alert and capable guide, SPNHF's Peter Crimp. On Aug. 8 Duncan McGowan gave a lively exposition of Sounding Boards, a technique for encouraging real and wide participation in town planning processes. On Dec. 5, Cindy Ivey, attractive and well-informed New Hampshire Conservation Commission's Wetlands Coordinator, gave an excellent presentation and slide show on N.H. Wetlands Issues.

All of these were good parties. All were supplied with fine refreshments. The only trouble was that so few people came.

It seems that we have spent most of the year talking to ourselves. We wonder, somewhat sadly, whether anyone knows that we are alive, let alone kicking.

Never mind, Hope Springs Eternal.
We look forward to Town Meeting 1979.
People will attend.
They will tell us what is wrong.
And what we should do instead!

Respectfully submitted,
CORNELIA ISELIN, Chairperson

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 2nd day of March, 1979, at 7:00 o'clock in the afternoon to bring in your votes for the election of the School District officers. The polls will open not later than 7:00 P.M. nor close earlier than 9:00 P.M.

ARTICLE 1. To choose all necessary School District Officers:

A moderator for the ensuing year
A clerk for the ensuing year
A member of the School Board for the ensuing three years
A treasurer from July 1, 1979, for the ensuing year
An auditor for the ensuing year

You are hereby notified to meet at the Town Hall in said District on March 2, 1979, at 8:00 P.M. to act upon the following subjects:

ARTICLE 2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

ARTICLE 3. To see if the District will vote to authorize the School Board to make application for and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any Federal, State, or private agency.

ARTICLE 4. To see what sum of money the District will vote to raise and appropriate to send the fifth grade students to Camp Union.

ARTICLE 5. To see what action the District will take to raise and appropriate a sum of money to be deposited in the Capital Reserve Fund established at the March, 1972 District Meeting for the purpose of the construction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes.

ARTICLE 6. To see what sum of money the District will vote to raise and appropriate for the purchase and

installation of a new stage curtain at the Munsonville School.

ARTICLE 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officers and agents, and for the payment of statutory obligations of the District.

ARTICLE 8. To see what sum of money the District will raise and appropriate for damage and legal expenses, such apportionment to be used for payment of the fees and expenses of the attorney for the District in preparation of court petitions, hearings and arguments in the Juvenile and District Courts and the preparation of papers, exhibits, hearing, arguments and briefs before the State Board of Education.

ARTICLE 9. To see what action the District will take in advising the School Board to pursue appropriate changes in state statutes and/or State Board of Education policies and regulations relative to attendance and home tutorial programs. Futher, to see what sum of money the District will raise and appropriate to effectuate the provisions of this article.

ARTICLE 10. To choose Agents and Committees in relation to any subject embraced in this warrant.

ARTICLE 11. To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson this day of February

ANNUAL SCHOOL MEETING

MARCH 3, 1978

The meeting was called to order at 7:00 p.m. by the Moderator, Ethan C. Tolman, at the Nelson Town Hall.

The checklist was handed over to the Clerk and signed by the Clerk and the Supervisors of the Checklist.

The Moderator read the Warrant through Article 1: To choose all necessary school district officers. The Moderator opened the polls for persons wishing to vote for the officers listed by non partisan ballot as required by law. He announced that the polls would remain open until after 9:00 p.m. The meeting was recessed until 8:00 p.m. At 8:00 p.m. the articles were acted upon as follows after the reading of the Warrant by the Moderator.

Article 2: A motion was made that the reports of Agents, Auditors, Committees or Officers chosen as found in the Annual School District Report be accepted and placed on file. The motion was seconded and the article was passed.

Article 3: It was moved that the District vote to authorize the School Board to make application for, and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency. The motion was seconded and the article was passed.

Article 4: It was moved that the District raise and appropriate the sum of $400 to send the fifth grade to Otter Lake Conservation School (Camp Union). The motion was seconded and Article 4 carried.

Article 5: It was moved that the District raise and appropriate the sum of $500 to be deposited in the Capital Reserve Fund established at the March 1972 District Meeting for the "purpose of the construction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes." The motion was seconded and Article 6 was passed.

Article 6: It was moved that the District form an ad hoc committee consisting of five (5) members to investigate alternatives to the Nelson School District

A.R.E.A. Agreements, grades seven through twelve, and further, it was moved that the district vote to raise and appropriate the sum of $200 for the support of the activities of said committee. The motion was seconded and David Upton briefly explained the purposes of putting this article in the Warrant. The School Board is trying to get a sense of the meeting as to whether parents and residents of Nelson are happy with our present arrangements, and the $200 is for possible legal consultation if the need should arise. After considerable discussion, the article was defeated.

Article 7: It was moved that the District vote to raise and appropriate the sum of $155,597 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory oblications of the District. The motion was seconded and Article 7 was passed.

Article 8: It was moved that we pass over Article 8. The motion was seconded and Article 8 was passed over.

Article 9: It was moved and seconded and passed that we recess until 9:00 p.m. at which time the polls will close.

The meeting was adjourned at 9:00 p.m.

Respectfully submitted

ADMINISTRATIVE REPORT

The American taxpayers are making it clear that they expect public agencies to become more accountable for the spending of public funds. They have also made it clear that they want the "basic" emphasized in their schools.

With the above ideas in mind, Supervisory Union 29 has developed an Accountability Model. This model has been approved by the New Hampshire State Department of Education. It is our hope that we will be able to complete the testing phase of this program by May of 1980.

The five towns in Supervisory Union 29 are in the process of conducting an achievement testing program. The results of these tests will be presented to the parents and school board in the spring of 1979. Using the results of the tests, a Curriculum Committee will examine our curriculum needs in the summer of 1979. These curriculum needs will be reflected in a report to each of the town school boards in the fall of 1979. This report will include recommendations for program modifications based on the achievement test results and the recommendations of the Curriculum Committee.

Achievement tests will be given again during the 1979-80 school year to determine if progress has been made in certain curriculum areas.

It is our hope that by examining and reexamining our school programs we can provide a quality education for our students in the most economic manner possible.

Whenever the school has prospered during this past year, it has prospered due to the sustained efforts of individuals in the school where the program and the child meet. The professional staff deserves high praise for their effectiveness and willingness to adapt programs to meet the changing needs of our students.

I would like to express my appreciation to the school board, principal and staff for their understanding and cooperation during this school year.
